Optional Subject Selection

Optional Subject selection – factors to keep in mind

- ❖ **Badmouthing** e.g. History too lengthy/not enough selections *fail*
- ❖ Whereas Rank#1: Shruti Sharma- History Optional
- ❖ GS Mains overlap is overrated for Public Administration, Pol.Sci or Sociology
- ❖ Geography, History overlap in GSM1: but do you really have interest, because its **lengthy & demanding**.
- ❖ Literature is not “license to succeed”, there are senior players.

(i) Agriculture
(ii) Animal Husbandry Science
(iii) Anthropology
(iv) Botany
(v) Chemistry
(vi) Civil Engineering
(vii) Commerce and Acco
(viii) Economics

“RAFTAAR” TAG MEANS

- ⦿ Only HARDCORE UPSC-Prelims oriented preparation.
- ⦿ PhD intellectualism will neither be taught, nor I'll entertain such questions from students.
- ⦿ If I do not teach a topic, it means it is either
- ⦿ Topic Not important for exam – because 1) technical/BizGK 2) ball by ball commentary 3) PHD 4) Outdated for 2023 5) out of fashion in latest exam trend
- ⦿ Topic Maybe little bit important, but poor cost benefit in terms of amount of time invested to learn it versus the probability of getting asked in real Prelims.
- ⦿ Topic Maybe important for Mains but not for prelims
- ⦿ Topic is still in the nascent / developing stage, and I'm waiting for the next budget and economic survey or govt / parliament / courts to give the final verdict about it.

Old Batch Student: shd I sit here in PCB9-RAFTAAR?

No need to sit again. simply come in free series Win23 in feb-2023 to get updates on budget/economic survey and other Current affairs in economy etc.

Target 2024 / 2025: Shd I sit here?

- Target 2024: yes sit

Hindi medium में पूरा हैंडआउट चाहिए मूजे

- It's not possible for me to translate entire handout in hindi due to time and manpower constrains.
- So only important term's hindi translation given for Mains.
- If you wish to cultivate more vocabulary for Hindi economic terms then go for class10, class11 NCERT economy books in Hindi medium.
- Similarly, you may read Economic survey, Yojana, Kurukshestra magazines (You don't have to read them page by page. How to read them is explained in the first lecture)
- You may also read Unacademy learner dashboard→Notes 2.0→Economy -> hindi notes for more.

- It takes some time to get used to the way MCQs are formed in UPSC. It basically involves changing of certain keywords and going to elimination method. Once you get a hang of it becomes very fast to tick or skip the answers.

how is economy knowledge tested in MCQs of UPSC

FACTS

1 give wrong ownership/structure e.g. BBB ka boss is not RBI Governor.

2 Give wrong feature of the scheme / product / law. e.g. no tax on IIB.

3 Give wrong "size / number". e.g. NIIF Rs.4lcr.

4 Give wrong causal relationship e.g. inflation vs repo

FACTS

STOP

 • but if you have the fact/concepts memorized, you can arrive at right answer with less errors
 • ..by becoming more alert while reading above sentences.

- Those getting poorer scores are because
 - a) Not revising properly → Then solution is obvious =you have to revise more

 - c) Not reading the words carefully

- d) Silly mistakes like Incorrect statement is asked but they are taking the correct statement
- e) Mind is stuck elsewhere in WhatsApp Telegram Netflix , fight with siblings/parents, love affairs & breakups. so person is reading the handout / MCQ but he/she's not absorbing it properly.
